Cliff,

Find attached:

- 2 files with our back-check of Tierra's responses to comments on the Crab-Clam-Fish (CCF) Field Report and Crab-Clam (CC) Data Report. For the most part, Tierra's responses are acceptable.

- EPA's and NJDEP's comments on the Tierra SQT and Porewater Field and Data Reports

I think that I still owe you:

- Comments on TRV memo
- Comments on Draft CSO/SWO Recon Survey Work Plan
- SQT Approach and Reference Site Memo
- Comments on Feasibility Study (FS) Work Plan

Let me know if there's anything else that I'm missing. Thanks,

Eugenia
